

## TANZANIA TRAVEL INSURANCE OVERVIEW

Tanzania is a safari destination par excellence- unmatched in its diversity and offering new vistas of experience that are replete with moments spent in the heart of the wilderness. And in the wild, you never know what dangers are lurking to mar your shot at a lifetime experience. So why not insure against those unseen risks? It's only prudent and sets you mentally free for **Tanzania Safari Tours**.

**Nobody ever wants to have an emergency, but everybody should plan for one just in case.**

Whatever **Tanzania Travel Insurance** covers you choose make sure it's comprehensive in its scope. You shell out big money for that **Tanzania Safari Experience**. Here are a few points that you need to keep in mind when buying your policy.

## WHY YOU NEED A TRAVEL INSURANCE FOR TANZANIA

**Travel Insurance can protect your trip from all kinds of problems and unforeseen circumstances.**

You must always make sure to guard yourself with an insurance policy and plan that helps you protect your trip for your **Tanzania Safety**.

You should look for a **Tanzania Travel Insurance** policy which will cover:

- Cancellation charges of your flights or packages and cover your payments in the **Tanzania Travel Insurance for US Citizens**.
- Even on the trip there is another policy variation that covers the cost of stolen bags, luggage and reimburse you for your belongings.
- The insurance policy can also cover you for any emergency helicopter rescues (which are increasing significantly in Tanzania every day)

## TYPES OF TRAVEL INSURANCE POLICIES FOR TANZANIA

There are many different types of travel insurance for you and your family's peace of mind on the safari trip.

- **Emergency medical evacuation coverage**– While in the jungles or in the throes of summiting Mt. Kilimanjaro, one of our **Tanzania Safari Tips** is that -if things go wrong and you require immediate evacuation or airlifting, then this little option will save your day. **Lifetime Safaris** is the Member of Flying Doctors Evacuations (AMREF)
- **Protection against baggage loss, theft or damage** You may lose your baggage in transit or have your expensive camera broken by a mischievous monkey. Or just have it snatched by a miscreant. Makes sense to cover it

**Any Unexpected emergencies can take place 19000 ft up on the mountains.**

- **Medical coverage for injury or illness while travelling** Tanzania is rife with tropical diseases. Malaria and other vector-borne diseases are a reality. There are even altitude sickness, traveller sdiarrhoea and other health hassles to watch out for. This is necessary for **Tanzania Travel Insurance for Senior Citizens**. Stay covered.
- **Trip cancellation or interruption protection** It should also cover for non-refundable financial penalties like cancellations such as hotel bookings, flight, and other transportation bookings if you have a sudden illness, death in the family, or some other emergency.
